How to check this receipt

Scan, or open `http://localhost:3300/receipt/shr_675a4a75a2460e32d5de36bbcbc8f83e`. Your browser recomputes the payment's fingerprint and checks it against the proof recorded on 19 Oct 2026. If any field on this page was changed, the check fails. The server supplies the record, never the answer.
